

COUNTY BOARD IS FOR NEW BUILDING

Commissioners Instruct County At-
torney to Proceed With Plans
For Community Building

FIRST PLAN IS DROPPED

Definite Method for Financing High
School Gymnasium to be Worked
Out Immediately

The county commissioners have
instructed the county attorney, John
H. Kiplinger, to take the necessary
steps to obtain a community building
as a memorial to Rush county
World War veterans.

It was not definitely decided to-
day, according to Mr. Kiplinger,
what method of procedure would be
followed, but it was assured that an
effort would be made to erect a
suitable auditorium to serve as a
substantial memorial.

The commissioners feel, it is un-
derstood, that there is a great need
for a community building where
Rush county gatherings may be
held, and they are anxious to see the
movement get under way at once.

It is generally accepted that the
plan for the city and county to join
in erecting a community building,
which could be used as a gymna-
sium, has been proved to be imprac-
tical and it is not expected that any
attempt will be made to push it.

Under the plan proposed by the
commissioners, Rushville city tax-
payers will share the expense
through taxation just the same as
those in the county living outside
the county seat.

Definite plans for financing a
Rushville high school gymnasium will
take shape within the next few
days, probably by Wednesday.

It was tentatively arranged this
afternoon for a group of men having
the gymnasium project at heart, to
meet with the city board of educa-
tion and agree upon some method to
pursue, tonight.

Whatever plan is decided upon
will be presented at the boosters
banquet Tuesday evening at the
Social club. An effort to finance it
will not be attempted to finance it
yet, however.

It was stated today that more
than \$5,000 had been pledged
through the sale of season tickets,
and the opinion is expressed that at
least \$2,000 more can be raised in
this manner.

No high school pupils have yet
been permitted to subscribe for sea-
son tickets and a second canvass
has never been made to check up on
those who were not seen the day of
the canvass of the city.

If some definite proposal is
decided upon, another canvass of
the city will undoubtedly be made,
probably Wednesday, to give those

FIVE HIGH SCHOOLS ARE ENTERED IN ORATORICAL

Carthage, Manilla, Milroy, Gings
and Rushville to Participate in
County Event

TO DEAL WITH CONSTITUTION

Five high schools of Rush county
have entered the National Oratorical
contest, being sponsored in Indiana
by the Indianapolis News, and the
county elimination contest will be
held some time during the week from
March 30 to April 3.

The five schools entered are Car-
thage, Manilla, Milroy, Gings and
Rushville, but the names of the
speakers have not been announced.
Rushville high school will have two
contestants, it is understood.

The subject of the orations must
deal with some phase of the United
States Constitution, and the same
line of procedure will be followed
as last year. The county contests
come first, then the districts, state
and national. Attractive cash
awards are made in each step of the
contest.

In Rush county the contest is in
charge of Russell B. Tittsworth, as
chairman, and the other two mem-
bers of the board of arrangements
are Supt. Almon of the city schools
and Supt. Farthing of the county
schools.

MAN AND WOMAN ARRESTED

Alpheus Taylor and Mrs. Lizzie
Lawson to be Arraigned Tonight

Alpheus Taylor and Mrs. Lizzie
Lawson were arrested late Sunday
evening by night officers Smith and
Everman and Sheriff Hunt, in the
rooms occupied by Taylor in the
Commercial block.

The couple was taken to jail, and
a charge of associating and intoxica-
tion was being prepared today by
Prosecutor Ketchum. Officers also
confiscated a small amount of liquor
in the rooms, according to their ver-
sion of the affair, and the two pris-
oners will be arraigned in police
court at 7:30 tonight, to answer
the charges against them.

CAR UPSET BY A SPEEDING DRIVER

Five Rushville People Narrowly Es-
cape Serious Injuries When Se-
dan is Hit Sunday

RECKLESS DRIVER ESCAPES

Backs Out of Ditch Without Inquir-
ing After Fate of People in B. O.
Simpson's Car

Five occupants of a sedan driv-
en by B. O. Simpson of this city
barely escaped serious, if not fatal,
injuries Sunday afternoon when a
reckless driver crashed into their
car at Five Points, north of Rush-
ville.

The sedan was turned completely
over and Mr. Simpson had to kick
the glass out of one of the windows
for the passengers to escape. The
driver of the automobile which
struck the Rushville car speeded
away before his name could be
learned.

Riding with Mr. Simpson were
Mrs. Simpson, Mrs. Allie M. Cox,
Miss Bertha Carmichael and Mrs.
Clifford Gottman of Chicago, form-
erly Miss Marjorie Cox of this city.
All suffered slight scratches and
bruises and Mrs. Cox apparently was
hurt the worst, although the at-
tending physician did not pro-
nounce her injuries serious.

Mr. Simpson was driving north at
a moderate rate of speed and did not
see the other car, coming from the
east at a rapid rate, until just be-
fore the crash. The course of the
machine which rammed the Rush-
ville car was deflected by the im-
pact and hit a pole at the side of
the road. It was not put out of com-
mission, however, and the driver
backed out of the ditch and drove
rapidly away while the Rushville
people were still dazed from the
shock and did not have an oppor-
tunity to get his license plate.

The Hupp sedan Mr. Simpson was
driving caught fire under the hood
and the timely assistance of persons
living near the scene of the accident
prevented it from burning up. The
paint was damaged and the uphol-
stering in the front seat burned.
Both rear wheels were smashed and
the body on the side of the impact
was dented.

Robert Humes of Indianapolis,
formerly of this city and who is
head of the Indiana motor police,
happened to be in Rushville over
Sunday visiting his parents, Mr. and
Mrs. O. E. Humes, and he was noti-
fied of the accident and the manner
in which the offending driver had
fled.

Mr. Humes promised to begin an
investigation at once and this morn-
ing motor policemen arrived and
began a search for the driver who
was responsible for the accident.

They had no clue to his identity
except that he was driving a Star
automobile and that he had the
name "Connersville" on his car. The
state policemen were hopeful of ap-
prehending him because they expect-
ed to trace him to the garage when
he went for repairs.

A resident of this city gave chase
and learned that a Star car had
stopped at a garage in Carthage but
finding that no one was working
there, had gone on. The hunt was
continued, but he could not be lo-
cated.

BILLINGS GIVES BOND FOR \$2,000; RELEASED

Is Arraigned in Henry Circuit Court
When Charge is Transferred
From Squire's Court

MADE THE TRIP WILLINGLY

George F. Billings, Union township
farmer, who was arrested and re-
turned to Newcastle by representa-
tives of the Webster Detective ag-
ency, to answer to a charge of giving
false representation in order to se-
cure credit, was released from the
Henry county jail late Saturday,
when he provided \$2,000 bond.

The trial in his case has not
been set. Billings was arrested on an
affidavit filed in the court of Squire
Keesling in Newcastle, and after the
arrest, it was transferred to the
Henry circuit court.

According to word from Newcas-
tle, there was no difficulty encoun-
tered in bringing the Rush county
man from Detroit, where he was
arrested, and that he was willing to
waive extradition papers, although
the court officials in Newcastle made
the necessary steps and secured them.

Just where Billings went after
obtaining his release is not known.
His case, in which he is accused of
making false statements to the
First National bank of Lewisville,
in order to obtain financial assist-
ance, will probably be set for trial
at an early date.

In a review of the Billings case
Saturday, the Daily Republican set
out that the Milroy bank and the
Rushville National bank were among
the first to file suits to foreclose
judgments against Billings. The
court records show that it was the
First National bank of Milroy that
had a judgment against Billings.

MISS BERYL HUNTINGTON DIES

Moscow Girl Succumbs Sunday
Night Of Pneumonia At Age Of 19

Miss Beryl Huntington, age nine-
teen years, daughter of Mr. and Mrs.
Looney Huntington of Moscow, died
Sunday night at her parents' home
of pneumonia.

Miss Huntington suffered an at-
tack of influenza several days ago
and when apparently on the road to
recovery she suffered a relapse and
pneumonia developed, causing her
death.

The deceased was a graduate from
the Moscow high school two years
ago. She is survived by her parents
and three brothers, Oscar, Calvert,
and Orval. Funeral services will be
held at 1:30 o'clock Tuesday after-
noon at the Milroy Christian church,
and burial will take place in the
Moscow cemetery.

RESURRECTION AS FACT IS STRESSED

Subject of Sermons in Rushville
Pulpits Sunday by Gibson Wilson
and E. G. McKibben

SIX REASONS FOR BELIEF

R. W. Sage Preaches on "Why I
Believe in the Bible"—Revival
Opens at St. Paul's Church

The certainty of the fact of the
resurrection of Christ was empha-
sized in two sermons in Rushville
pulpits Sunday. Both the Rev. Gib-
son Wilson of the First Presbyterian
church and the Rev. E. G. McKibben
of the First United Presbyterian
church discussed this phase of the
question.

The Rev. R. W. Sage delivered the
third of the sermon series on the
general theme, "Why I Believe," at
the First Baptist church Sunday
morning. He gave six reasons for be-
lieving in the Bible.

Prof. Nakarai, who teaches Japa-
nese in the College of Missions,
Indianapolis, spoke twice at the
Main Street Christian church Sun-
day.

A revival opened at St. Paul's
Methodist Episcopal church Sunday
and tonight the Rev. H. W. Hargett,
pastor, will deliver the sermon, tak-
ing for his subject, "Baptism with
Water or With Fire." Evangelist
Thomas of Muncie will be here for
the first time Tuesday evening and
will deliver the sermon. He will con-
tinue to aid in the services the re-
mainder of the meetings.

A quartet composed of Mrs.
George Wiltse, Mrs. Alfred Norris,
Dr. F. M. Sparks and O. P. Wamsley
will sing this evening. Mr. Wamsley
will have charge of the music dur-
ing the revival.

First Presbyterian

"The resurrection of Jesus is an
established historical fact," said
the Rev. Gibson Wilson, pastor of
the First Presbyterian church, in
another of his series of sermons on
The Resurrection. His text was
First Cor., 15:3.

Continuing, the Rev. Mr. Wilson
said in part:

There may be some uncertainty
as to the exact day on which Christ
was born. There is no uncertainty as
to Easter. In addition to the testi-
mony of the four Gospels as to the
death and resurrection of Jesus we
have the strong statement of this
chapter. On all hands it is admitted
to be the writing of Paul, written
earlier than the Gospels and within
twenty-five years of the date of the
crucifixion.

This historical fact is further at-
tested by those who saw it. The
very fact that his friends hurried to
the tomb instead of to Galilee where
he promised to meet them is conclu-
sive proof that they believed he
was dead. The spear thrust and
sentence pronounced at the cross is
sufficient testimony, under any or-
dinary circumstances, as to his
death. The sealed tomb is further
testimony to the fact.

Now a wonderful thing has oc-
curred. But it is no more wonderful
than that which is to take place in
the experience of every believer. The
tomb is empty. He is risen. They
have seen him beyond the ex-
perience of the tomb.

Eight days after at Jerusalem, he
appeared to the apostles. Thomas

TWO MORE MEN GO TO PENITENTIARY

Byron Conner and Martin Simpson
Plead Guilty to Having Part in
Series of Robberies

IMPLICATED IN THEFT HERE

Third Man is Being Sought as Re-
sult of Confessions—May Have
Part of Loot

The loot in four recent robberies,
one in Rushville and three in Con-
nersville, was received Saturday,
and two more men sentenced to the
penitentiary, as a further chapter in
the pursuit of those associated in a
ring of thieves in Connersville.

Most of the loot stolen from the
Knecht Clothing company and the
Ben A. Cox shoe store, occupying a
room jointly in this city, and which
was robbed a week ago last Satur-
day, was recovered Saturday at the
home of Paul Woodworth of Con-
nersville.

A fourth is being sought by the
Connersville police. He is believed to
have secreted the remainder of the
merchandise stolen from the Rush-
ville stores. All that was recovered
Saturday was returned to the store
here.

After the arrest of Woodworth,
who pleaded guilty and was senten-
ced for robbing the Rem-Ba sport-
ing goods store in Connersville, and
who concealed the loot from the
Rushville stores, the further arrests
through his confessions resulted.

In commenting upon the affair, a
dispatch from Connersville stated
today, the following:

The other two men were Byron
Conner, of Grand avenue, who was
arrested late Friday night, and Mar-
tin Simpson, who was arrested in
Shelbyville, by Chief of Police Jones
and Fred Mettel, deputy sheriff, Sat-
urday afternoon.

Both men are young and neither
is married. Simpson has been em-
ployed irregularly for some months
at the Tyndall & Wagner manufac-
tury in Shelbyville. When the chief
and the deputy, directed to the place
by a member of the Shelbyville po-
lice force, arrested him, yesterday
afternoon, Simpson was taciturn and
at first refused to say even where he
lived. He changed his mind, however,
and soon told the officers where his
room was. It was in the home of
Frank Ewbanks. There the officers
made a search and found two rifles,
a part of the loot of the Rem-Ba
store, also two revolvers and the
missing radio set.

Meanwhile, from Conner the hid-
ing place of the rest of the loot was

WILL CRAWFORD DIES AT VANCOUVER, WASH.

Former Rushville Man, Grandson of
Late General Joel Wolfe, Will be
Buried Here

BODY TO ARRIVE WEDNESDAY

Will Crawford, aged about 67
years, died last Friday at the Ore-
gon-Washington K. of P. home in
Vancouver, Wash., according to
word received in this city, after a
long illness of a complication of
diseases.

The deceased was born and raised
in this city, being a son of the
late Mr. and Mrs. Clark Crawford
and the oldest grandchild of the late
General and Mrs. Joel Wolfe. He
was also a nephew of the late Col-
onel E. H. Wolfe. The only relative
he has living in this city at present
is a cousin, Mrs. Fanny Miller. He
formerly clerked in the Wolfe shoe
store, located where the Rushville
National Bank is standing now.

He was never married and at the
time of his death he was the owner
of a general store in Metairie Falls,
Wash., and was also postmaster and
city councilman of the town.

The body will be returned to this
city for the funeral services and
burial. It is expected to arrive in
this city some time Wednesday and
will be taken to the undertaker's
parlors. The funeral services will be
conducted about ten o'clock Thurs-
day morning at the chapel at East
Hill cemetery where the burial will
take place.

JUDGE SPARKS IMPROVED

Judge Will M. Sparks, who was taken suddenly sick Saturday evening at the Westcott hotel in Richmond, was reported to be improving today. He suffered a severe chill and Dr. Frank H. Green, who was attending the regional basketball tournament, was called. He was suffering with an attack of the grip, the physician said. Judge Sparks remained in Richmond over night and returned home Sunday with Mrs. Sparks, who arrived from Pittsburgh early Sunday morning.

RESURRECTION AS FACT IS STRESSED

Continued from Page One
being present. He appeared to seven of the apostles on the shores of Lake Tiberias. In Galilee he appeared to the eleven, then to about 500, of whom Paul says that most of them are still living at the time of his writing, which was twenty-five years later. Some have died. He appeared to the eleven, just before the ascension, which is forty days after the resurrection. Very soon after this, at Pentecost, 3,000 confessed him as the risen Christ. What stronger proof could be asked?

But to all this must be added the argument from the institutions which have grown out of the fact of the resurrection.

First, there is the Christian Sabbath. For more than fifteen centuries, the seventh day has been observed as the Sabbath.

There is the Christian church. Whence does it come. It dates from these apostles and their preaching the resurrection of Christ.

Another line of evidence takes us back to the resurrection. Our Christian civilization, whence is it? I also traces back through a well defined groove of nineteen centuries to Joseph's tomb from which Jesus rose.

In addition to this great historical fact, there is a great Spiritual Force, in the world, which needs explanation. Christ is not only "Risen from the dead," says Paul. If you and I are in Christ, we are risen men, today. That little child of yours who died, that companion of years. Isn't that encouraging?

Here is prophecy fulfilled and hope for us. Jesus said, "Because I Live, ye shall live also," John 14:19.

First United Presbyterian
The Rev. E. G. McKibben emphasized the certainty of the fact of the resurrection in his sermon Sabbath morning based on Luke 24:34 "The Lord is risen indeed."

"It capped the climax of proof that he was divine," the pastor declared. "It vindicated the character of Christ. Men condemned and crucified, but God raised him from the dead. It also secured the legal justification of God's people."

In the evening the sermon was the fourth of the series on "Christ's Estimate of Himself," and was based on John 14:6, "I am the life," the pastor said in part:

The fact of life is basic for everything of interest in the world. All physical life depends on vegetation. All spiritual life depends on Jesus Christ. A live town is alive because of living men at the head of its affairs. It sloughs off dead material and attracts the living. Likewise a living church attracts those spiritually alive and repels those spiritually dead. A dead church reverses the process. It attracts the dead and repels the living.

Jesus Christ is the life in that he gives life. This comes on the terms of faith. No man can merit salvation. None can earn it. Yet they continually ask, "What good thing can I do to inherit eternal life?" Not faith and good works but faith alone and apart from works saves the soul. It is all of grace. This gift of life is without reservation. Man sometimes puts a string to his gift, a condition, but the gift of life is not conditioned.

He knows that if there is life within it will control the life without. We are not under law, driven by the "Thou shalt" and "Thou shalt not" but we are free men under grace. So he gives, on terms of faith.

He also nourishes the life that he gives. He supplies the food. The food

supplied is an appetizer. And He guarantees results.

Then he transplants the life that he has given. This world is a nursery where we grow. It is a training school where we prepare for the larger life beyond. God wants men who have developed capacity to occupy responsible positions in heaven. He wants men that he can commend. Also men that he can trust as He trusts the angels. What sort of place are you getting ready to fill? Life in Christ is union with Christ. And union with Christ means faithfulness.

First Baptist Church

"Why I Believe the Bible," was the topic of the third of a series of Sunday morning sermons being delivered by the pastor of the First Baptist church on the general theme, "Why I Believe." He gave six reasons for his belief in the Bible at the service yesterday morning.

"First," he said, "I believe the Bible because I have read it. To be a fair minded critic of any book one must first have read it. The Bible is no exception to the rule. Let me say, frankly, that unless you have read the Bible you are not entitled to say that you believe the Bible. I am not suggesting an easy task. He who thinks it an easy task to read the Bible through has only to try, and he will be convinced that it is no holiday excursion. It demands the keenest of thought and the closest of attention. Before you can say that you believe it you must enter the wonderful Garden where its story begins and follow its interesting sequels to the Revelation of the Great White Throne upon which there is seated Jesus, King of Kings and Lord of Lords.

"Second, I believe the Bible because it has withstood the fire of criticism. Men have tried to destroy it upon almost every conceivable pretext. Yet, today it shines forth more truly and brilliantly than ever before. Every year the spades of Oriental workers dig up new evidence of the genuineness of its text. Every succeeding generation vindicates its teachings in human experience.

"Third, I believe the Bible because it meets my need at every point of my experience. When I am tempted and tried, when I meet rebuffs, when the storm sweeps over me, when trouble comes, yes and even death itself, it always has just the message that my soul needs.

"Fourth, because it gives me the only adequate picture of God. I might understand Him as the great Creator of the universe, from the natural evidence about me. Yet it takes the picture of God as revealed in the person of the Man of Galilee to satisfy my deepest desire for a picture of the God whom I really care to worship.

"Fifth, because it offers the only adequate solution of the sin problem. The Bible's solution of the sin problem is different from that of every other great religious book. Its solution does not lie ultimately in the prohibitive laws concerning sin, but rather in the injection of a new spirit into life; the spirit of love and service.

"Sixth, because it has been found to meet the needs of mankind under any condition of life. Today it is answering the need of every race, class and color on the face of the earth. Each is finding the truth of its message being vindicated in experience every hour of the day. They challenge us to find it a lamp unto our feet and a light unto our pathway."

SENATE ONCE AGAIN REJECTS C. B. WARREN

Committee of Senators Expected to
Call on President Late Today to
Get His Plans

RECESS APPOINTMENT SEEN

Washington, Mar. 16—The senate today once more rejected the nomination of Charles B. Warren, as attorney general, throwing back upon the White House for the second time within a week, President Coolidge's personal choice of a member for his own cabinet.

The vote was 39 to 46. The senate action, a repetition of its rejection of Warren last Tuesday, threw down a challenge to fulfill his threat to give Warren a recess appointment in defiance of the senate's "advice and consent."

A committee of senators is expected to call upon Mr. Coolidge at the White House immediately to ask him if he wishes to submit another nomination for attorney general or if he has some other business to lay before the senate.

Today's vote in the sensational bitter, personal controversy between Mr. Coolidge and his new senate over the right of chief executive to select his own cabinet without challenge from the senate, came in the manner it had been expected.

Senator La Follette of Wisconsin, recent candidate for the presidency, strolled into the chamber as the roll call started. A murmur of applause started, only to be quickly stifled as the roll call went on without interruption.

God is Love:—Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God. 1 John 4:7.

On to the "State"

"On to the state" is the battle cry in Rushville and surrounding vicinity following the victory of the high school basketball team in the regional tournament at Richmond Saturday.

The popularity of basketball, especially the high school variety, was demonstrated when close to one thousand loyal fans took time off to cheer the Lions on to victory.

Rushville went to Indianapolis at the close of the season of 1921-22, after defeating Columbus in the regional at Bloomington, and met her Waterloo in the first game with Marion.

It is a coincidence that Rushville again meets Marion in the first round of the state tournament play, and all Lions boosters feel confident that the tables will be reversed this year.

The Rushville players revealed themselves equal to the test when they met a team that had previously defeated them this season. They played a clean game and they were in it from the very beginning. They won the admiration of every true sportsman who has been behind them all season, win or lose.

They will continue to have the admiration of the lovers of basketball, because they have repeatedly shown, in recent games, that they were giving the best they had.

Living by Example

Much has been said and equally as much written about the supposed degeneracy of the younger generation of the present day.

In every age the same complaint has been made by the older against the younger generation. It seems to be a law of life.

In this day we hear much of the profligacy of youth. And we are very

apt to judge the many by the misdeeds of the few.

Most of us, in passing judgment, forget that young people are imitators—nothing more. They do largely the things that they have seen their elders do.

As one high school boy so aptly puts it, "When I see one of our leading citizens take a corner on three wheels, I feel that I have a right to do the same thing, and I want to try it with Dad's car."

The boys and girls don't realize their lack of experience. They grow up quickly, in their own estimation, as all parents know, and they feel they should have privileges that come with maturity.

There is no escaping the responsibility that goes with mature years. No one can reasonably expect the imitators to rise above the level on which the imitated live.

FIFTEEN YEARS AGO TODAY

From Daily Republican
Wednesday, March 16, 1910

After days of diplomacy and much reasoning and questions the Schrichte room in Main street, until recently occupied by the Barrett & O'Neal "Dry" beer parlor and previously occupied by the Fresno Wine company, was rented today to the Knecht Clothing company, better known as the O. P. C. H. The deal was closed this morning, the contract signed and preparations for moving will begin at once.

Mrs. Frazier Johnson entertained her Sunday school at her home in North Perkins street this afternoon.

Greensburg News: Mr. and Mrs. James Spillman will move to their new home at Milroy tomorrow. Claude will remain here until the school term is over.

Verne Callihan was operated on this morning at the Sexton sanitarium for hernia.

A marriage license was issued today to Miss Gertie Collyer and Fred W. Knots. The young couple will be married tonight by the Methodist church minister at Falmouth.

Mr. and Mrs. Willard Ames and daughter Miss Mary Left yesterday afternoon for a short visit in Texas. They will be gone about three weeks and will visit several points of interest.

Mr. and Mrs. Oliver Booth will leave next week to begin their new married life on a farm in Western Canada. They will be accompanied by William Ferce, Mrs. Booth's father.

Prof. A. F. Stewart, formerly a teacher in the local high school but now professor of Latin at Monmouth college, is here to spend the spring vacation with old friends and relatives.

E. C. McMahon has moved into the old Maho property in West Second street which he has purchased and remodeled.

Mrs. John McNamara and Miss May Moran were Indianapolis visitors today.

Miss Lenora Wooden returned last night from a visit with Mrs. W. P. McCloud in Indianapolis.

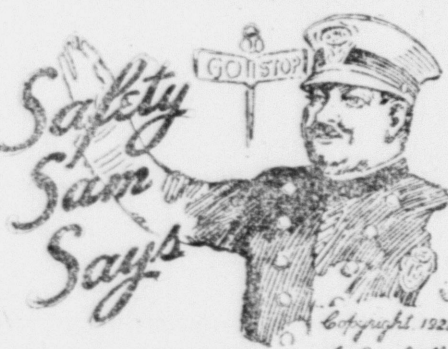

Dr. Elliott of Glenwood has returned from a hunting trip in Arkansas and Texas. He has been gone since the first week in December.

Mrs. Leonard Clark entertained about fifty guests this afternoon at her home in North Morgan street. It was in the nature of a St. Patrick's day party and the color scheme was in green and white.

A very pleasant surprise was given for Miss Mary Krammes Tuesday evening, honoring her eighteenth birthday anniversary.

Mrs. O. Dale was hostess for the Bid Euchre club at her home in North Main street, Monday afternoon.

Hunt's Washington Letter

BY HARRY B. HUNT
NEA Service Writer

WASHINGTON—The lure of the limelight holds strong for men who have spent a decade or more in high public office.

Stronger than the ties of sentiment which may draw them toward the "old home town," is the desire to keep even on the fringe of the spotlight that plays around national officialdom.

For those who have fallen under the spell of the capital atmosphere, it is more desirable to remain in Washington, out of office, inconspicuous entities in a conspicuous place, than it is to return to their own old haunts, where they would be big men but in inconspicuous communities.

The hold that Washington life gets on public men is again evidenced by the announcement that of four United States senators who stepped out of office March 4, three will remain in the capital "to practice law."

The fourth is yet uncertain. There are hints that as an administration "lame duck," who lost out in his primary fight last spring, he may still be taken care of by a federal job.

The other three, being Democrats, have no such hope, but nevertheless will retain Washington as headquarters.

A. O. STANLEY of Kentucky, who lost his senatorial seat to a Republican, will share an office suite with J. P. Tumulty, former secretary to President Wilson, and be an "attorney and counselor at law."

Robert L. Owen, who has represented Oklahoma in the Senate for 18 years, did not run for re-election.

But, somehow, now that he is out, life back in Oklahoma has lost its appeal. He will stay on in

Washington, also to "practice law."

The third "ex" senator who, although no longer drawing the pay and perquisites of high office, will retain his residence in the capital and try his hand at interpreting laws he helped to pass, is Nathaniel Dial of South Carolina. Dial recently won Republican favor by a speech in praise of President Coolidge, terming him a better Democrat than many Democratic senators.

Appointment by the president to a Democratic membership on one of the federal bi-partisan boards or commissions has been suggested as a possibility for Dial.

THE Republican lame duck whose future is still uncertain is ex-Senator Thomas Sterling of South Dakota.

Sterling was beaten for renomination in the primaries last spring. He has been a staunch champion of Coolidge policies in the recent session, however, and his friends insist he will "be taken care of."

He has been mentioned as possible prohibition commissioner, but seemingly is not enthusiastic over that suggestion.

IT'S as hard to live up to a good name as it is to a good reputation. Wherefore Golden Rule has been sued for divorce in the Washington courts. Mrs. Rule charges Golden failed to measure his conduct by the Ten Commandments.

MAGNUS JOHNSON of Minnesota, who came to the Senate with the reputation for having a voice that could be heard all over 160 acres, leaves Washington without ever having made himself audible in the capital.

Magnus, however, is understood to have signed up to tell the country all about Washington next summer, by a series of lectures on the Chautauqua circuit.

ASHER GRAY IS DEAD

Asher Gray, age about 93 years, a former Rush county man, is dead at his home in Wabash, Ind., according to a message received by H. M. Cowing of this city. He was a great uncle of Mr. Cowing's and moved from this county before the civil war. He is survived by the widow, who was his second wife, and several children.

WATSON SUPPORTS
CRAMTON MEASURE

Proposes to Make Prohibition Bureau a Separate and Distinct Unit Rather Than Subordinate

FAVORED BY INDIANAIS

Washington, March 16 —The Cramton bill, in which many Indians interested in prohibition enforcement have expressed an interest, has the support of Senator Watson. The bill received a favorable report from the Senate committee on judiciary but since there was opposition it was not possible to obtain its passage in the closing days of this session. However, it will come to a vote early next session. The Cramton measure proposes to make the prohibition bureau a separate and distinct unit rather than subordinate to the internal revenue bureau. The idea is to more definitely fix responsibility for enforcement of prohibition.

In reply to hundreds of letters on the subject, Senator Watson, has said:

"I am in favor of the passage of the Cramton bill. In supporting this legislation, which has for its purpose the advancement of the cause of temperance, I am following the policy which I have constantly maintained while I have been a member of Congress."

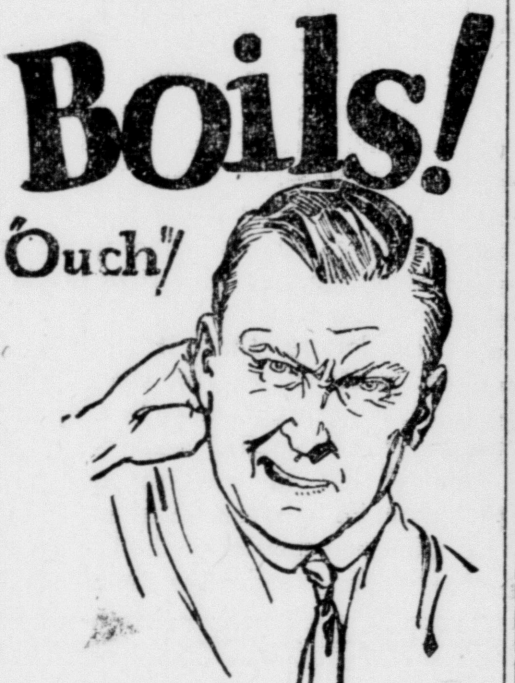

A survey of Senator Watson's legislative record shows that he has been a consistent supporter of anti-saloon and temperance measures. This was true when he was a House member and it has been since he has been a Senator. When he was a candidate for Governor several years ago he was defeated by liquor interests because he was an advocate of county local option. Church people and temperance advocates in Indiana have been expressing their pleasure because of the type of men Senator Watson recently named for United States District Attorney and the two federal judgeships.

TERRE HAUTE PASTOR TO TALK

On Tuesday evening at 7:30 o'clock the Rev. L. L. Emmert, a student of Indiana Central College at University Heights, Indianapolis will preach at the United Brethren church, corner of Sixth and Arthur streets. The Rev. Mr. Emmert is pastor of one of the Terre Haute churches. The public is invited to this service.

KNIGHTS TEMPLAR MEETING

Rushville Commandery No. 49 K. T. will hold their regular convocation Monday evening beginning at 7:30. Members of the drill team are requested to be present.

S.S.S. will rid you of boils, pimples, blackheads and skin eruptions!

DON'T CLOSE your eyes to the warning which Nature gives when angry, painful boils appear on your neck, face or other parts of your body. Boils, pimples and so-called skin disorders are the result of an impoverished condition of the blood and are not to be trifled with.

It is nothing more than folly to expect to get absolute relief from the use of local treatments, such as ointments, calves, etc. Such remedies may afford temporary relief but you want more than relief; you want a remedy which will rid you forever of the torturing disorder. And the one remedy which has no equal is S.S.S.

S.S.S. stops boils and keeps them from coming. S.S.S. builds blood-power! That is what makes fighting blood. Fighting blood destroys impurities. It fights boils! It fights skin eruptions—pimples, blackheads, eczema! It always wins! S.S.S. has been known since 1826 as one of the greatest blood builders, blood cleansers and system strengtheners ever produced. There are no unproven theories about S.S.S., the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities. Begin taking S.S.S. today and clear your skin of those blood disorders!

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

LIONS CLIMB NOTCH HIGHER IN THE STATE

Take Thrilling Game From Shelbyville Saturday Night at Regional Always Holding Lead

OPPONENTS THREATEN OFTEN

Rushville Will Meet Marion "String Beans" in State Tournament Friday Morning

The Rushville high school basketball team climbed a notch higher by winning their two regional games at Richmond Saturday, and are now listed as one of the Big Sixteen in the state that will fight it out Friday and Saturday for a state champion.

The Lions played a good brand of ball in the regional tourney, overwhelming their first opponents from Freetown, 43 to 15, and took Shelbyville in the final game, 26 to 23, after setting a fast pace the first half, and were ahead, 18 to 7.

In winning these games, Rushville earns the right to enter the state tourney and their first opponent will be the strong outfit from Marion—known as the String Beans because of their giant statures.

Rushville was regarded by many as the outstanding team in the regional, and the Lions displayed a good floor game all of the time, having Shelbyville baffled with their defenses, and compelling them in the last half to shoot long goals which brought them up within 3 points.

In the other bracket of the Richmond regional, the final game brought Connersville and Richmond together, and Connersville played regular bump-up ball and put across a one-point victory, just as it appeared that Richmond was going to snag a goal for a victory. Connersville deserved to win, because of their fight, and that victory placed Rushville and Connersville as the sole defenders for honors in the state race from eastern Indiana.

When Rushville and Shelbyville took the floor, Shelbyville was keyed up to win, but so was Rushville, and in the first three minutes of play it was clearly to be seen that the Lions had the better team. Right at the start, Lakin got a nice basket under the goal. Fix fouled Arbnuckle, but he missed both shots. Lashaw fouled McNamara and he made his shot, putting the score 3 to 0 for Rushville at the start. Miller fouled Ewick, center for Shelbyville, and he made one of the two points. Arbnuckle fouled Lashaw, who missed both chances to tie the count, leaving the score 3 to 1. Lakin scored again from the field, making it 5 to 1 and Shelbyville called time.

Arbnuckle fouled and this time Fix made the one shot, and the same player on the next toss, slipped in a field goal that brought the score 5 to 4, with Rushville still in the lead. Arbnuckle scored for Rushville from the side. On a foul near the Shelbyville basket, Ewick tossed in a goal without opposition, putting the count 7 to 6.

Lakin took the ball down again for a shot under the basket, making the goal and with a Shelbyville player hanging on, giving him two chances on the foul, one of which he made, and the locals were in front 19 to 6.

Duncan fouled Arbnuckle, but he missed the shot, only to come back with a field goal, putting the count 12 to 6. Newbold fouled Kendall, who missed. Kendall then fouled Lashaw.

kin, and he counted twice on the foul, putting Rushville 14 to Shelbyville 6.

With the ball out of bounds, it was tossed into McNamara for an easy shot under the basket, sending the score 16 to 6, and Shelbyville called time. In the closing two minutes of play, Lakin scored again for 18 points and Shelbyville tossed in a foul that made their total 7.

The second half started out with Shelbyville putting up a fierce attack to get back the points, and Fix scored from the field but when Ewick fouled Miller, the local back guard counted once, and the score was 19 to 9. Miller fouled Ewick then, and the Shelbyville player added a point.

Lakin scored again making it 21 to 10. Rushville then missed four chances on fouls with Miller and Newbold each failing to hit the basket. Shelbyville began taking long shots in a vain effort to come back, and Kendall made good two of them in fast time that put the score 21 to 14, with Rushville calling time.

Lakin fouled Kendall, who added another point for Shelbyville. Lakin fouled Morris, who added another one, boosting the count 21 to 16, and when Kendall made his third long shot the score was 21 to 18, and the three point margin again caused the Lions to call time. Five minutes remained of the half.

Fix for Shelbyville anchored a basket from away on the side, near the center, that brought the crowd to their feet, and brought Shelbyville within one point, 21 to 20.

Kendall fouled Miller, but the local player missed a shot. McNamara saved the day by shooting a field goal in from near the foul line, giving Rushville a better edge, 23 to 20. Then Lakin widened the margin by making good two chances on a foul, giving Rushville a 5 point margin, 25 to 20.

With two minutes left, Shelbyville was making a desperate effort to count goals, and the game was of lightning speed. Morris for Shelbyville scored from the field, and when Miller fouled Morris the player added another point that brought Shelbyville again within striking distance, making the score 25 to 23, with a minute left. In that closing minute Shelbyville went the limit to hit the goal, but in so doing fouled Lakin, and he tossed the ball through the hoop just as the gun sounded, giving Rushville 26 and Shelbyville 23.

In the other game when Rushville defeated Freetown, the Jackson county team was no match, and after the locals had run the score up 31 to 4 in the first half, the five substitute players were sent in, and the Freetown team began to make things interesting, but before the time was up, the regulars went back in again, and the final count was 43 to 15.

Eddie Big Question Mark

Without a doubt Eddie Collins, manager of the Chicago White Sox, is the biggest question mark in the American League this season. Rated one of the greatest players in baseball annals, his efforts as a pilot will be watched by entire fandom with unusual interest. Many critics are predicting that he will be as great a success in his new role as he has been as an active performer, which is a

SO FAR, SO GOOD! LET'S DON'T STOP! KEEP GOING AND TAKE INDIANAPOLIS THIS WEEK BY STORM.

From now on they are all good ones You Lions have the stuff to lick any of them if you play the game like you did at Richmond. Hit your stride and keep it.

HOLD FAST TO THAT DEFENSE. IT IS A GREAT THING, AND MEANS MUCH FOR A RUSHVILLE VICTORY. IT WILL TAKE A DEFENSE OF STONE WALL TO STOP MARION—BUT THEY CAN BE STOPPED!

Didn't Lakin play a sweet game at center in those Richmond games? Sport writers said he had everything, and especially an eye for the basket.

McNamara also has found that old basket eye, and that means a great deal to the team.

IN CONGRATULATING THE TEAM, DON'T OVERLOOK THE ONE SITTING ON THE BENCH—COACH JOHN SWAIN—HE IS SECOND TO NONE, AND WE DON'T MEAN MEBBE.

LET'S BUILD THAT GYM That regional victory should at least add impetus to the new gym. Something definite should be done this week, because next week basketball will be tucked on the shelf for several months.

Rushville, without a doubt, had a larger following of rooters than any team represented at Richmond. That speaks well, and is a great encouragement to the team. At least a thousand people attended from here.

Arbnuckle, local forward, gets better each game, and by the end of this week, he will be stepping on them with all fours. Buck is a scrappy player, and those big boys from Marion, will have a hard time stopping him.

FOUL SHOOTING POOR Foul goal shooting at the Richmond tourney, by all teams, was the poorest to be expected. Teams missed many shots from this route, and if they had counted any way near normal, some of those scores would have been different. For instance, Columbus missed 13 of them in their game with Shelbyville. Richmond and Connersville each missed 6. Shelbyville missed 5 attempts, and Rushville in the game with Shelbyville missed exactly ten.

THOSE FOUL GOALS ARE OF GREAT IMPORTANCE, AND THE LIONS SHOULD MAKE IT A

PRACTICE TO HIT THE BASKET FROM THAT LINE.

LAKIN BEAT RECORD Lakin, center for Rushville, was the out-standing star on foul goals, and surpassed all other players in that department, including all of the 8 teams entered. He made good 9 out of 10 chances in the two games played.

BUY TICKETS EARLY State tournament tickets on sale now at the office of E. B. Butler high school principal. Let's back the team to the limit, and help them put across more victories.

DON'T STOP WITH MARION There was no doubt plenty of hope and mourning on that special train back to Columbus Saturday night, Shelbyville and Columbus could both sympathize with each other, as companions in misery.

Miller played a great game in that tourney and Shelbyville didn't get through very many times for under the basket shots. That Marion team, as some boys just about his size, and don't think for one minute that Miller can't stop 'em.

IT ISN'T ALWAYS THE FELLOW WHO MAKES THE BASKETS THAT SHOULD BE ON AN HONOR ROLL. THE ONE WHO PLAYS THE GAME AND HAS TEAM WORK WITH THE GOAL SHOOTERS ARE JUST AS IMPORTANT.

Greensburg at least should be a happy bunch, because Shelbyville didn't win the regional.

The tough luck player of the tourney was Newbold, forward, who was so completely covered up by guards that he didn't get many shots. But just the same, Bob played his usual game on the floor, and was right there in feeding the ball to the others.

Freetown, the unknown quantity, backed a great deal of being a dark horse, but considering everything, the boys did their best and win or lose, that is surely the spirit. Freetown does not possess a floor, and the large floor at Richmond was no doubt a handicap.

Sprague of the Freetown team, who is a married man, played a good game, and made 6 of their 15 points. Richmond people were probably the biggest disappointed of any. Connersville sure played a fighting game, and deserved to win.

TOURNEY TICKETS DUE HERE TODAY

Tickets for the state finals, to be played in Indianapolis, Friday and Saturday, will be here late today, according to E. B. Butler, high school principal, and those expecting to attend are urged to buy them and avoid the jam and rush at the doors.

Five hundred tickets for each day of the tourney will be on sale. Attention was called today to a change in the usual ticket disposal. This year the tickets are sold for separate days, either Friday or Saturday at a dollar a day. When you pass into the Exposition building, the ticket will be taken up, and if you leave, pass out checks for that one day will be given.

Mr. Butler stated today that those who are going to attend must place their order early, because he must turn them in by Thursday evening. He urges that persons buy them before Wednesday if possible, so that something definite can be ascertained on the sale.

Provisions were being made today for special rates and traction cars, and local basketball fans are all keyed up to the point of making a great showing in the state tourney, although all of the teams from now on, are strong ones, and it will be a real test for the Rushville players.

learned. It was in a suit case and a traveling bag, hidden under a cord of lumber on the ball field near the Connersville Furniture plant. A revolver was found at Conners' home. The other loot had been recovered before, from the possession of Paul Woodworth, who was sentenced in the same case Friday.

In the suit case and the travelling bag hidden in the stack of lumber was found a quantity of clothing stolen from a Rushville store some time ago, also the loot from two barber shops that were rifled in Connersville within the last few weeks. One of the shops was on Summit avenue, the other at Tenth and Eastern.

Conner and Simpson were arraigned before Judge Himelick Saturday afternoon. Each pleaded guilty to a charge of burglary of the second degree and was given sentences of two to fourteen years, the same that had been meted out to their companion in ill adventure, Paul Woodworth, the day preceding.

Guard Against "Flu" With Musterole

Influenza, Grippe and Pneumonia usually start with a cold. The moment you get those warning aches, get busy with good old Musterole.

Musterole is a counter-irritant that relieves congestion (which is what a cold really is) and stimulates circulation. It has all the good qualities of the old-fashioned mustard plaster without the blister.

Just rub it on with your finger-tips. First you will feel a warm tingle as the healing ointment penetrates the pores, then a soothing, cooling sensation and quick relief.

Have Musterole handy for emergency use. It may prevent serious illness.

To Mothers: Musterole is also made in milder form for babies and small children. Ask for Children's Musterole. 35c and 65c in jars and tubes.

COUNTY BOARD IS FOR NEW BUILDING

Commissioners Instruct County At-
torney to Proceed With Plans
For Community Building

FIRST PLAN IS DROPPED

Definite Method for Financing High
School Gymnasium to be Worked
Out Immediately

The county commissioners have
instructed the county attorney, John
H. Kiplinger, to take the necessary
steps to obtain a community build-
ing as a memorial to Rush county
World War veterans.

It was not definitely decided to-
day, according to Mr. Kiplinger,
what method of procedure would be
followed, but it was assured that an
effort would be made to erect a
suitable auditorium to serve as a
substantial memorial.

The commissioners feel, it is un-
derstood, that there is a great need
for a community building where
Rush county gatherings may be
held, and they are anxious to see the
movement get under way at once.

It is generally accepted that the
plan for the city and county to join
in erecting a community building,
which could be used as a gymna-
sium, has been proved to be imprac-
tical and it is not expected that any
attempt will be made to push it.

Under the plan proposed by the
commissioners, Rushville city tax-
payers will share the expense
through taxation just the same as
those in the county living outside
the county seat.

Definite plans for financing a
Rushville high school gymnasium will
take shape within the next few
days, probably by Wednesday.

It was tentatively arranged this
afternoon for a group of men having
the gymnasium project at heart, to
meet with the city board of educa-
tion and agree upon some method to
pursue, tonight.

Whatever plan is decided upon
will be presented at the boosters
banquet Tuesday evening at the
Social club. An effort to finance it
will not be attempted to finance it
yet, however.

It was stated today that more
than \$5,000 had been pledged
through the sale of season tickets,
and the opinion is expressed that at
least \$2,000 more can be raised in
this manner.

No high school pupils have yet
been permitted to subscribe for
season tickets and a second canvass
has never been made to check up on
those who were not seen the day of
the canvass of the city.

If some definite proposal is
decided upon, another canvass of
the city will undoubtedly be made,
probably Wednesday, to give those

FIVE HIGH SCHOOLS ARE ENTERED IN ORATORICAL

Carthage, Manilla, Milroy, Gings
and Rushville to Participate in
County Event

TO DEAL WITH CONSTITUTION

Five high schools of Rush county
have entered the National Oratorical
contest, being sponsored in Indiana
by the Indianapolis News, and the
county elimination contest will be
held some time during the week from
March 30 to April 3.

The five schools entered are Car-
thage, Manilla, Milroy, Gings and
Rushville, but the names of the
speakers have not been announced.
Rushville high school will have two
contestants, it is understood.

The subject of the orations must
deal with some phase of the United
States Constitution, and the same
line of procedure will be followed
as last year. The county contests
come first, then the districts, state
and national. Attractive cash
awards are made in each step of the
contest.

In Rush county the contest is in
charge of Russell B. Titsworth, as
chairman, and the other two mem-
bers of the board of arrangements
are Sam Altman of the city schools
and Supt. Farthing of the county
schools.

MAN AND WOMAN ARRESTED

Alpheus Taylor and Mrs. Lizzie
Lawson to be Arraigned Tonight

Alpheus Taylor and Mrs. Lizzie
Lawson were arrested late Sunday
evening by night officers Smith and
Everman and Sheriff Hunt, in the
rooms occupied by Taylor in the
Commercial block.

The couple was taken to jail, and
a charge of associating and intoxica-
tion was being prepared today by
Prosecutor Ketchum. Officers also
confiscated a small amount of liquor
in the rooms, according to their ver-
sion of the affair, and the two pris-
oners will be arraigned in police
court at 7:30 tonight, to answer
the charges against them.

CAR UPSET BY A SPEEDING DRIVER

Five Rushville People Narrowly Es-
cape Serious Injuries When Se-
dan is Hit Sunday

RECKLESS DRIVER ESCAPES

Backs Out of Ditch Without Inquir-
ing After Fate of People in B. O.
Simpson's Car

Five occupants of a sedan driven
by B. O. Simpson of this city
barely escaped serious, if not fatal,
injuries Sunday afternoon when a
reckless driver crashed into their
car at Five Points, north of Rush-
ville.

The sedan was turned completely
over and Mr. Simpson had to kick
the glass out of one of the windows
for the passengers to escape. The
driver of the automobile which
struck the Rushville car speeded
away before his name could be
learned.

Riding with Mr. Simpson were
Mrs. Simpson, Mrs. Allie M. Cox,
Miss Bertha Carnichael and Mrs.
Clifford Gottman of Chicago, former-
ly Miss Marjorie Cox of this city.
All suffered slight scratches and
bruises and Mrs. Cox apparently was
hurt the worst, although the at-
tending physician did not pro-
nounce her injuries serious.

Mr. Simpson was driving north at
a moderate rate of speed and did not
see the other car, coming from the
east at a rapid rate, until just be-
fore the crash. The course of the
machine which rammed the Rush-
ville car was deflected by the im-
pact and hit a pole at the side of
the road. It was not put out of com-
mission, however, and the driver
backed out of the ditch and drove
rapidly away while the Rushville
people were still dazed from the
shock and did not have an oppor-
tunity to get his license plate.

The Happ sedan Mr. Simpson was
driving caught fire under the hood
and the timely assistance of persons
living near the scene of the accident
prevented it from burning up. The
paint was damaged and the uphol-
stering in the front seat burned.
Both rear wheels were smashed and
the body on the side of the impact
was dented.

Robert Humes of Indianapolis,
formerly of this city and who is
head of the Indiana motor police,
happened to be in Rushville over
Sunday visiting his parents, Mr. and
Mrs. O. E. Humes, and he was noti-
fied of the accident and the manner
in which the offending driver had
fled.

Mr. Humes promised to begin an
investigation at once and this morn-
ing motor policemen arrived and
began a search for the driver who
was responsible for the accident.

They had no clue to his identity
except that he was driving a Star
automobile and that he had the
name "Connersville" on his car. The
state policemen were hopeful of ap-
prehending him because they expect-
ed to trace him to the garage where
he went for repairs.

A resident of this city gave chase
and learned that a Star car had
stopped at a garage in Carthage but
finding that no one was working
there, had gone on. The hunt was
continued, but he could not be lo-
cated.

BILLINGS GIVES BOND FOR \$2,000; RELEASED

Is Arraigned in Henry Circuit Court
When Charge is Transferred
From Squire's Court

MADE THE TRIP WILLINGLY

George F. Billings, Union township
farmer, who was arrested and re-
turned to Newcastle by representa-
tives of the Webster Detective agen-
cy, to answer to a charge of giving
false representation in order to se-
cure credit, was released from the
Henry county jail late Saturday,
when he provided \$2,000 bond.

The trial in his case has not
been set. Billings was arrested on an
affidavit filed in the court of Squire
Keesling in Newcastle, and after the
arrest, it was transferred to the
Henry circuit court.

According to word from Newcas-
tle, there was no difficulty encoun-
tered in bringing the Rush county
man from Detroit, where he was
arrested, and that he was willing to
waive extradition papers, although
the court officials in Newcastle made
the necessary steps and secured them.

Just where Billings went after
obtaining his release is not known.
His case, in which he is accused of
making false statements to the
First National bank of Lewisville,
in order to obtain financial assist-
ance, will probably be set for trial
at an early date.

In a review of the Billings case
Saturday, the Daily Republican set
out that the Milroy bank and the
Rushville National bank were among
the first to file suits to foreclose
judgments against Billings. The
court records show that it was the
First National bank of Milroy that
had a judgment against Billings.

NOBLE TOWNSHIP MAN FILES SUIT FOR DIVORCE

Dora Gwinup Brings Action in Cir-
cuit Court Against Minnie B. Gwin-
up, Charging Abandonment

STATE CASES TO BE DELAYED

Dora Gwinup, a resident of No-
ble township, and a butcher by oc-
cupation, has filed suit in the circuit
court against his wife, Minnie B.
Gwinup the action being a com-
plaint for divorce.

The suit alleges that they were
married in May, 1907, and separated
in February of 1920, when she is al-
leged to have abandoned him, and
has failed to reside with him since.
He charges that she had a high tem-
per, cursed him and called him vile
names, and threw things at him on
several occasions. He asks custody
of their three children part of the
time.

Two state cases set for Tuesday
and Wednesday, against Andis and
Youse, charged with stealing auto-
mobile tires, will be continued a few
days on account of the illness of
Judge Sparks.

Two complaints on notes have
been filed in court by the Charles F.
Taylor company. One action is
against Fred H. Dogler for \$125,
and the other complaint is against
Clifford E. Patton and John E. Pat-
ton. The Peoples Loan and Trust
company have sued Melvin D. Seely
and others on a complaint to set
aside a deed.

TWENTY ABOVE IS THE LOWEST

Typical March Weather Prevails
Over the Week end

Typical March weather prevailed
Saturday in this section of the
state, with a strong wind and rain
making the day a very disagreeable
one.

The mercury which was about
normal for the period of the year on
Friday, went down Saturday after a
heavy rain on Friday night, and al-
though the wind was severe, it made
it appear colder than it really was,
and the coldest reached over the
week end was 20 degrees above zero.

The mercury Sunday began to
climb, and it was not nearly so cold
yesterday or today, with unsettled
weather again predicted for the first
part of this week.

MISS BERYL HUNTINGTON DIES

Moscow Girl Succumbs Sunday
Night Of Pneumonia At Age Of 19

Miss Beryl Huntington, age nine-
teen years, daughter of Mr. and Mrs.
Louey Huntington of Moscow, died
Sunday night at her parents' home
of pneumonia.

Miss Huntington suffered an at-
tack of influenza several days ago
and when apparently on the road to
recovery she suffered a relapse and
pneumonia developed, causing her
death.

The deceased was a graduate from
the Moscow high school two years
ago. She is survived by her parents
and three brothers, Oscar, Calvert,
and Orval. Funeral services will be
held at 1:30 o'clock Tuesday after-
noon at the Milroy Christian church,
and burial will take place in the
Moscow cemetery.

RESURRECTION AS FACT IS STRESSED

Subject of Sermons in Rushville
Pulpits Sunday by Gibson Wilson
and E. G. McKibben

SIX REASONS FOR BELIEF

R. W. Sage Preaches on "Why I
Believe in the Bible"—Revival
Opens at St. Paul's Church

The certainty of the fact of the
resurrection of Christ was empha-
sized in two sermons in Rushville
pulpits Sunday. Both the Rev. Gib-
son Wilson of the First Presbyterian
church and the Rev. E. G. McKibben
of the First United Presbyterian
church discussed this phase of the
question.

The Rev. R. W. Sage delivered the
third of the sermon series on the
general theme, "Why I Believe," at
the First Baptist church Sunday
morning. He gave six reasons for be-
lieving in the Bible.

Prof. Nakarai, who teaches Jap-
anese in the College of Missions,
Indianapolis, spoke twice at the
Main Street Christian church Sun-
day.

A revival opened at St. Paul's
Methodist Episcopal church Sunday
and tonight the Rev. H. W. Hargett,
pastor, will deliver the sermon, tak-
ing for his subject, "Baptism with
Water or With Fire." Evangelist
Thomas of Muncie will be here for
the first time Tuesday evening and
will deliver the sermon. He will con-
tinue to aid in the services the re-
mainder of the meetings.

A quartet composed of Mrs.
George Wiltse, Mrs. Alfred Norris,
Dr. F. M. Sparks and O. P. Wamsley
will sing this evening. Mr. Wamsley
will have charge of the music dur-
ing the revival.

First Presbyterian

"The resurrection of Jesus is an
established historical fact," said
the Rev. Gibson Wilson, pastor of
the First Presbyterian church, in
another of his series of sermons on
The Resurrection. His text was
First Cor., 15:3.

Continuing, the Rev. Mr. Wilson
said in part:

There may be some uncertainty
as to the exact day on which Christ
was born. There is no uncertainty as
to Easter. In addition to the testi-
mony of the four Gospels as to the
death and resurrection of Jesus we
have the strong statement of this
chapter. On all hands it is admitted
to be the writing of Paul, written
earlier than the Gospels and within
twenty-five years of the date of the
crucifixion.

This historical fact is further at-
tested by those who saw it. The
very fact that his friends hurried to
the tomb instead of to Galilee where
he promised to meet them is conclu-
sive proof that they believed he
was dead. The spear thrust and
sentence pronounced at the cross is
sufficient testimony, under any or-
dinary circumstances, as to his
death. The sealed tomb is further
testimony to the fact.

Now a wonderful thing has oc-
curred. But it is no more wonder-
ful than that which is to take place in
the experience of every believer. The
tomb is empty. He is risen. They
have seen him beyond the ex-
perience of the tomb.

Eight days after at Jerusalem, he
appeared to the apostles. Thomas

TWO MORE MEN GO TO PENITENTIARY

Byron Conner and Martin Simpson,
Plead Guilty to Having Part in
Series of Robberies

IMPLICATED IN THEFT HERE

Third Man is Being Sought as Re-
sult of Confessions—May Have
Part of Loot

The loot in four recent robberies,
one in Rushville and three in Con-
nersville, was received Saturday,
and two more men sentenced to the
penitentiary, as a further chapter in
the pursuit of those associated in a
ring of thieves in Connersville.

Most of the loot stolen from the
Knecht Clothing company and the
Ben A. Cox shoe store, occupying a
room jointly in this city, and which
was robbed a week ago last Satur-
day, was recovered Saturday at the
home of Paul Woodworth of Con-
nersville.

A fourth is being sought by the
Connersville police. He is believed to
have secreted the remainder of the
merchandise stolen from the Rush-
ville stores. All that was recovered
Saturday was returned to the store
here.

After the arrest of Woodworth,
who pleaded guilty and was senten-
ced for robbing the Rem-Bu sport-
ing goods store in Connersville, and
who concealed the loot from the
Rushville stores, the further arrests
through his confessions resulted.

In commenting upon the affair, a
dispatch from Connersville stated
today, the following:

The other two men were Byron
Conner, of Grand avenue, who was
arrested late Friday night, and Mar-
tin Simpson, who was arrested in
Shelbyville, by Chief of Police Jones
and Fred Mettel, deputy sheriff, Sat-
urday afternoon.

Both men are young and neither
is married. Simpson has been em-
ployed irregularly for some months
at the Tyndall & Wagner manufac-
tury in Shelbyville. When the chief
and the deputy, directed to the place
by a member of the Shelbyville po-
lice force, arrested him, yesterday
afternoon, Simpson was taciturn and
at first refused to say even where he
lived. He changed his mind, however,
and soon told the officers where his
room was. It was in the home of
Frank Ewbanks. There the officers
made a search and found two rifles,
a part of the loot of the Rem-Bu
store, also two revolvers and the
missing radio set.

Meanwhile, from Conner, the hid-
ing place of the rest of the loot was

WILL CRAWFORD DIES AT VANCOUVER, WASH.

Former Rushville Man, Grandson of
Late General Joel Wolfe, Will be
Buried Here

BODY TO ARRIVE WEDNESDAY

Will Crawford, aged, about 67
years, died last Friday at the Ore-
gon-Washington K. of P. home in
Vancouver, Wash., according to
word received in this city, after a
long illness of a complication of
diseases.

The deceased was born and rais-
ed in this city, being a son of the
late Mr. and Mrs. Clark Crawford
and the oldest grandchild of the late
General and Mrs. Joel Wolfe. He
was also a nephew of the late Col-
onel E. H. Wolfe. The only relative
he has living in this city at present
is a cousin, Mrs. Fanny Miller. He
formerly clerked in the Wolfe shoe
store, located where the Rushville
National Bank is standing now.

He was never married and at the
time of his death he was the owner
of a general store in Metairie Falls,
Wash., and was also postmaster and
city councilman of the town.

The body will be returned to this
city for the funeral services and
burial. It is expected to arrive in
this city some time Wednesday and
will be taken to the undertaker's
parlors. The funeral services will be
conducted about ten o'clock Thurs-
day morning at the chapel at East
Hill cemetery where the burial will
take place.

JUDGE SPARKS IMPROVED

Judge Will M. Sparks, who was taken suddenly sick Saturday evening at the Westcott hotel in Richmond, was reported to be improving today. He suffered a severe chill and Dr. Frank H. Green, who was attending the regional basketball tournament, was called. He was suffering with an attack of the grip, the physician said. Judge Sparks remained in Richmond over night and returned home Sunday with Mrs. Sparks, who arrived from Pittsburgh early Sunday morning.

When Children Cough Act Quickly

Watch your child closely when he gets a "cold" and begins to cough. Many a case of croup and serious illness has been turned aside with a few doses of that fine old remedy, Kemp's Balsam. Act promptly. Don't be discouraged because ordinary cough syrups fail to help—stick to Kemp's Balsam. Just a few doses bring the relief you are looking for. Only 30 cents at all stores.

For that Cough! KEMP'S BALSAM

**RESURRECTION AS
FACT IS STRESSED**

Continued from Page One

being present. He appeared to seven
of the apostles on the shores of
Lake Tiberias. In Galilee he appear-
ed to the eleven, then to about 500,
of whom Paul says that most of
them are still living at the time of
his writing, which was twenty-five
years later. Some have died. He ap-
peared to the eleven, just before the
ascension, which is forty days af-
ter the resurrection. Very soon af-
ter this, at Pentecost, 3,000 con-
fessed him as the risen Christ. What
stronger proof could be asked?

But to all this must be added the
argument from the institutions
which have grown out of the fact
of the resurrection.

First, there is the Christian Sab-
bath. For more than fifteen centur-
ies, the seventh day has been ob-
served as the Sabbath.

There is the Christian church.
Whence does it come. It dates from
these apostles and their preaching
the resurrection of Christ.

Another line of evidence takes us
back to the resurrection. Our Chris-
tian civilization, whence is it? It
also traces back through a well de-
fined groove of nineteen centuries to
Joseph's tomb from which Jesus
rose.

In addition to this great historical
fact, there is a great Spiritual Force,
in the world, which needs explana-
tion. Christ is not only "Risen from
the dead," but "Ye are risen with
Christ," says Paul. If you and I
are in Christ, we are risen men, to-
day. That little child of yours who
died, that companion of years. Isn't
that encouraging?

Here is prophecy fulfilled and
hope for us. Jesus said, "Because I
Live, ye shall live also," John 14:19.

First United Presbyterian

The Rev. E. G. McKibben em-
phasized the certainty of the fact of
the resurrection in his sermon Sab-
bath morning based on Luke 24:34
"The Lord is risen indeed."

"It capped the climax of proof
that he was divine," the pastor de-
clared. "It vindicated the character
of Christ. Men condemned and cru-
cified, but God raised him from the
dead. It also secured the legal justifi-
cation of God's people."

In the evening the sermon was
the fourth of the series on "Christ's
Estimate of Himself," and was
based on John 14:6, "I am the
life," the pastor said in part:

The fact of life is basic for every-
thing of interest in the world. All
physical life depends on vegetation.
All spiritual life depends on Jesus
Christ. A live town is alive because
of living men at the head of its af-
fairs. It sloughs off dead material
and attracts the living. Likewise a
living church attracts those spiri-
tually alive and repels those spiri-
tually dead. A dead church reverses
the process. It attracts the dead and
repels the living.

Jesus Christ is the life in that he
gives life. This comes on the terms
of faith. No man can merit salva-
tion. None can earn it. Yet they con-
tinually ask, "What good thing can
I do to inherit eternal life?" Not
faith and good works but faith al-
one and apart from works saves the
soul. It is all of grace. This gift of
life is without reservation. Man
sometimes puts a string to his gift,
a condition, but the gift of life is not
conditioned.

He knows that if there is life
within it will control the life with-
out. We are not under law, driven by
the "Thou shalt" and "Thou shalt
nots" but we are free men under
grace. So he gives, on terms of faith.
He also nourishes the life that He
gives. He supplies the food. The food

supplied is an appetizer. And He
guarantees results.

Then he transplants the life that
he has given. This world is a nursery
where we grow. It is a training
school where we prepare for the
larger life beyond. God wants men
who have developed capacity to oc-
cupy responsible positions in Heav-
en. He wants men that He can
commend. Also men that He can
trust as He trusts the angels. What
sort of place are you getting ready
to fill? Life in Christ is union with
Christ. And union with Christ means
faithfulness.

First Baptist Church

"Why I Believe the Bible," was
the topic of the third of a series of
Sunday morning sermons being de-
livered by the pastor of the First
Baptist church on the general theme,
"Why I Believe." He gave six rea-
sons for his belief in the Bible at
the service yesterday morning.

"First," he said, "I believe the
Bible because I have read it. To be
a fair minded critic of any book one
must first have read it. The bible is
no exception to the rule. Let me
say, frankly, that unless you have
read the Bible you are not entitled
to say that you believe the Bible. I
am not suggesting an easy task. He
who thinks it an easy task to read
the Bible through has only to try,
and he will be convinced that it is
no holiday excursion. It demands
the keenest of thought and the
closest of attention. Before you can
say that you believe it you must en-
ter the wonderful Garden where its
story begins and follow its interest-
ing sequels to the Revelation of the
Great White Throne upon which
there is seated Jesus, King of Kings
and Lord of Lords.

"Second, I believe the Bible be-
cause it has withstood the fire of
criticism. Men have tried to destroy
it upon almost every conceivable
pretext. Yet, today it shines forth
more truly and brilliantly than ever
before. Every year the spades of
Oriental workers dig up new evi-
dence of the genuineness of its text.
Every succeeding generation vindi-
cates its teachings in human experi-
ence.

"Third, I believe the Bible because
it meets my need at every point of
my experience. When I am tempted
and tried, when I meet rebuffs, when
the storm sweeps over me, when
trouble comes, yes and even death
itself, it always has just the mes-
sage that my soul needs.

"Fourth, because it gives me the
only adequate picture of God. I
might understand Him as the great
Creator of the universe, from the
natural evidence about me. Yet it
takes the picture of God as revealed
in the person of the Man of Galilee
to satisfy my deepest desire for a
picture of the God whom I really
care to worship.

"Fifth, because it offers the only
adequate solution of the sin prob-
lem. The Bible's solution of the sin
problem is different from that of e-
very other great religious book. Its
solution does not lie ultimately in
the prohibitive laws concerning sin,
but rather in the injection of a new
spirit into life; the spirit of love and
service.

"Sixth, because it has been found
to meet the needs of mankind under
any condition of life. Today it is an-
swering the need of every race, class
and color on the face of the
earth. Each is finding the truth of
its message being vindicated in ex-
perience every hour of the day. They
challenge us to find it a lamp unto
our feet and a light unto our path-
way."

**SENATE ONCE AGAIN
REJECTS C. B. WARREN**

Committee of Senators Expected to
Call on President Late Today to
Get His Plans

RECESS APPOINTMENT SEEN

Washington, Mar. 16—The senate
today once more rejected the nomi-
nation of Charles B. Warren, as at-
torney general, throwing back upon
the White House for the second time
within a week, President Coolidge's
personal choice of a member for
his own cabinet.

The vote was 39 to 46. The senate
action, a repetition of its rejection
of Warren last Tuesday, threw down
a challenge to fulfill his threat to
give Warren a recess appointment in
defiance of the senate's "advice and
consent."

A committee of senators is ex-
pected to call upon Mr. Coolidge at
the White House immediately to ask
him if he wishes to submit another
nomination for attorney general or
if he has some other business to lay
before the senate.

Today's vote in the sensational
bitter, personal controversy between
Mr. Coolidge and his new senate over
the right of chief executive to se-
lect his own cabinet without chal-
lenge from the senate, came in the
manner it had been expected.

Senator La Follette of Wisconsin,
recent candidate for the presidency,
strolled into the chamber as the roll
call started. A murmur of applause
started, only to be quickly stifled as
the roll call went on without inter-
ruption.

God is Love—Beloved, let us love one another: for love is of God; and every one that loveth is born of God, and knoweth God. 1 John 4:7.

On to the "State"

"On to the state" is the battle cry in Rushville and surrounding vicinity following the victory of the high school basketball team in the regional tournament at Richmond Saturday.

The popularity of basketball, especially the high school variety, was demonstrated when close to one thousand loyal fans took time off to cheer the Lions on to victory.

Rushville went to Indianapolis at the close of the season of 1921-22, after defeating Columbus in the regional at Bloomington, and met her Waterloo in the first game with Marion.

It is a coincidence that Rushville again meets Marion in the first round of the state tournament play, and all Lions boosters feel confident that the tables will be reversed this year.

The Rushville players revealed themselves equal to the test when they met a team that had previously defeated them this season. They played a clean game and they were in it from the very beginning. They won the admiration of every true sportsman who has been behind them all season, win or lose.

They will continue to have the admiration of the lovers of basketball, because they have repeatedly shown, in recent games, that they were giving the best they had.

Living by Example

Much has been said and equally as much written about the supposed degeneracy of the younger generation of the present day.

In every age the same complaint has been made by the older against the younger generation. It seems to be a law of life.

In this day we hear much of the profligacy of youth. And we are very

apt to judge the many by the misdeeds of the few.

Most of us, in passing judgment, forget that young people are imitators—nothing more. They do largely the things that they have seen their elders do.

As one high school boy so aptly puts it, "When I see one of our leading citizens take a corner on three wheels, I feel that I have a right to do the same thing, and I want to try it with Dad's car."

The boys and girls don't realize their lack of experience. They grow up quickly, in their own estimation, as all parents know, and they feel they should have privileges that come with maturity.

There is no escaping the responsibility that goes with mature years.

No one can reasonably expect the imitators to rise above the level on which the imitated live.

Verne Callihan was operated on this morning at the Sexton sanitarium for hernia.

A marriage license was issued today to Miss Gertie Collier and Fred W. Knotts. The young couple will be married tonight by the Methodist church minister at Falmouth.

Mr. and Mrs. Willard Amos and daughter Miss Mary Left yesterday afternoon for a short visit in Texas. They will be gone about three weeks and will visit several points of interest.

Mr. and Mrs. Oliver Booth will leave next week to begin their new married life on a farm in Western Canada. They will be accompanied by William Ferce, Mrs. Booth's father.

Prof. A. F. Stewart, formerly a teacher in the local high school but now professor of Latin at Monmouth college, is here to spend the spring vacation with old friends and relatives.

E. C. McMahon has moved into the old Muldo property in West Second street which he has purchased and remodeled.

Mrs. John McNamara and Miss May Moran were Indianapolis visitors today.

Miss Lenora Wooden returned last night from a visit with Mrs. W. F. McClelland in Indianapolis.

Dr. Elliott of Glenwood has returned from a hunting trip in Arkansas and Texas. He has been gone since the first week in December.

Mrs. Leonard Clark entertained about fifty guests this afternoon at her home in North Morgan street. It was in the nature of a St. Patrick's day party and the color scheme was in green and white.

A very pleasant surprise was given for Miss Mary Krammes Tuesday evening, honoring her eighteenth birthday anniversary.

Mrs. O. Dale was hostess for the Bid Euchre club at her home in North Main street, Monday afternoon.

Hunt's Washington Letter

BY HARRY B. HUNT

NEA Service Writer

WASHINGTON—The lure of the limelight holds strong for men who have spent a decade or more in high public office.

Stronger than the ties of sentiment which may draw them toward the "old home town," is the desire to keep even on the fringe of the spotlight that plays around national officialdom.

For those who have fallen under the spell of the capital atmosphere, it is more desirable to remain in Washington, out of office, inconspicuous entities in a conspicuous place, than it is to return to their own old haunts, where they would be big men but in inconspicuous communities.

The hold that Washington life gets on public men is again evidenced by the announcement that of four United States senators who stepped out of office March 4, three will remain in the capital "to practice law."

The fourth is yet uncertain. There are hints that as an administration "lame duck," who lost out in his primary fight last spring, he may still be taken care of by a federal job.

The other three, being Democrats, have no such hope, but nevertheless will retain Washington as headquarters.

A. O. STANLEY of Kentucky, who lost his senatorial seat to a Republican, will share an office suite with J. P. Tamm, former secretary to President Wilson, and be an "attorney and counselor at law."

Robert L. Owen, who has represented Oklahoma in the Senate for 18 years, did not run for re-election.

But, somehow, now that he is out, life back in Oklahoma has lost its appeal. He will stay on in

Washington, also to "practice law."

The third "ex" senator who, although no longer drawing the pay and perquisites of high office, will retain his residence in the capital and try his hand at interpreting laws he helped to pass, is Nathaniel Dial of South Carolina.

Dial recently won Republican favor by a speech in praise of President Coolidge, terming him a better Democrat than many Democratic senators.

Appointment by the president to a Democratic membership on one of the federal bipartisan boards or commissions has been suggested as a possibility for Dial.

THE Republican lame duck whose future is still uncertain is ex-Senator Thomas Sterling of South Dakota.

Sterling was beaten for renomination in the primaries last spring. He has been a staunch champion of Coolidge policies in the recent session, however, and his friends insist he will "be taken care of."

He has been mentioned as possible prohibition commissioner, but seemingly is not enthusiastic over that suggestion.

IT'S as hard to live up to a good name as it is to a good reputation.

Wherefore Golden Rule has been sued for divorce in the Washington courts. Mrs. Rule charges Golden failed to measure his conduct by the Ten Commandments.

MAGNUS JOHNSON of Minnesota, who came to the Senate with a reputation for having a voice that could be heard all over 100 acres, leaves Washington without ever having made himself audible in the capital.

Magnus, however, is understood to have signed up to tell the country all about Washington next summer, by a series of lectures on the Chautauqua circuit.

Spring is the mating season. The birds mate. But they don't have any house rent or grocery bills.

At last women are becoming men's equals. Here and there you find one who really doesn't want to marry.

Women are nice people. But they sometimes refuse to agree with you in all the things about which you are mistaken.

Many single men think they can enjoy life more with their present habits than they could with a wife.

Trying to keep two people from marrying results in a married couple for enemies.

WATSON SUPPORTS CRAMTON MEASURE

Proposes to Make Prohibition Bureau a Separate and Distinct Unit Rather Than Subordinate

FAVORED BY INDIANAIANS

Washington, March 16.—The Cramton bill, in which many Indians interested in prohibition enforcement have expressed an interest, has the support of Senator Watson.

The bill received a favorable report from the Senate committee on judiciary but since there was opposition it was not possible to obtain its passage in the closing days of this session. However, it will come to a vote early next session.

The Cramton measure proposes to make the prohibition bureau a separate and distinct unit rather than subordinate to the internal revenue bureau. The idea is to more definitely fix responsibility for enforcement of prohibition.

In reply to hundreds of letters on the subject, Senator Watson, has said:

"I am in favor of the passage of the Cramton bill. In supporting this legislation, which has for its purpose the advancement of the cause of temperance, I am following the policy which I have constantly maintained while I have been a member of Congress."

A survey of Senator Watson's legislative record shows that he has been a consistent supporter of anti-saloon and temperance measures. This was true when he was a House member and it has been since he has been a Senator. When he was a candidate for Governor several years ago he was defeated by liquor interests because he was an advocate of county local option. Church people and temperance advocates in Indiana have been expressing their pleasure because of the type of men Senator Watson recently named for United States District Attorney and the two federal judgeships.

KNIGHTS TEMPLAR MEETING

Rushville Commandery No. 40 K. T. will hold their regular convocation Monday evening beginning at 7:30. Members of the drill team are requested to be present.

S.S.S. will rid you of boils, pimples, blackheads and skin eruptions!

DON'T CLOSE your eyes to the warning which Nature gives when angry, painful boils appear on your neck, face or other parts of your body. Boils, pimples and so-called skin disorders are the result of an impoverished condition of the blood and are not to be trifled with.

It is nothing more than folly to expect to get absolute relief from the use of local treatments, such as ointments, salves, etc. Such remedies may afford temporary relief but you want more than relief; you want a remedy which will rid you forever of the torturing disorder. And the one remedy which has no equal is S.S.S.

S.S.S. stops boils and keeps them from coming. S.S.S. builds blood-power! That is what makes fighting blood. Fighting blood destroys impurities. It fights boils! It fights skin eruptions—pimples, blackheads, eczema! It always wins! S.S.S. has been known since 1826 as one of the greatest blood builders, blood cleansers and system strengtheners ever produced. There are no unproven theories about S.S.S., the scientific results of each of its purely vegetable medicinal ingredients are admitted by authorities. Begin taking S.S.S. today and clear your skin of those blood disorders!

S.S.S. is sold at all good drug stores in two sizes. The larger size is more economical.

LIONS CLIMB NOTCH HIGHER IN THE STATE

Take Thrilling Game From Shelbyville Saturday Night at Regional Always Holding Lead

OPPONENTS THREATEN OFTEN

Rushville Will Meet Marion "String Beans" in State Tournament Friday Morning

The Rushville high school basketball team climbed a notch higher by winning their two regional games at Richmond Saturday, and are now listed as one of the Big Sixteen in the state that will fight it out Friday and Saturday for a state champion.

The Lions played a good brand of ball in the regional tourney, overwhelming their first opponents from Freetown, 43 to 15, and took Shelbyville in the final game, 26 to 23, after setting a fast pace the first half, and were ahead, 18 to 7.

In winning these games, Rushville earns the right to enter the state tourney and their first opponent will be the strong outfit from Marion—known as the String Beans because of their giant stature.

Rushville was regarded by many as the outstanding team in the regional, and the Lions displayed a good floor game all of the time, having Shelbyville baffled with their defenses, and compelling them in the last half to shoot long goals which brought them up within 3 points.

In the other bracket of the Richmond regional, the final game brought Connersville and Richmond together, and Connersville played regular bang-up ball and put across a one-point victory, just as it appeared that Richmond was going to snag a goal for a victory. Connersville deserved to win, because of their fight, and that victory placed Rushville and Connersville as the sole defenders for honors in the state race from eastern Indiana.

When Rushville and Shelbyville took the floor, Shelbyville was keyed up to win, but so was Rushville, and in the first three minutes of play it was clearly to be seen that the Lions had the better team. Right at the start, Lakin got a nice basket under the goal. Fix fouled Arbuckle, but he missed both shots. Latschaw fouled McNamara and he made his shot, putting the score 3 to 0 for Rushville at the start. Miller fouled Ewick, center for Shelbyville, and he made one of the two points. Arbuckle fouled Latschaw, who missed both chances to tie the count, leaving the score 3 to 1. Lakin scored again from the field, making it 5 to 1 and Shelbyville called time.

Arbuckle fouled and this time Fix made the one shot, and the same player on the next toss, slipped in a field goal that brought the score 5 to 4, with Rushville still in the lead. Arbuckle scored for Rushville from the side. On a fumble near the Shelbyville basket, Ewick tossed in a goal without opposition, putting the county 7 to 6.

Lakin took the ball down again for a shot under the basket, making the goal and with a Shelbyville player hanging on, giving him two chances on the foul, one of which he made, and the locals were in front 10 to 6.

Dungan fouled Arbuckle, but he missed the shot, only to come back with a field goal, putting the count 12 to 6. Newbold fouled Kendall, who missed. Kendall then fouled L-

kin, and he counted twice on the foul, putting Rushville 14 to Shelbyville 6.

With the ball out of bounds, it was tossed into McNamara for an easy shot under the basket, sending the score 16 to 6, and Shelbyville called time. In the closing two minutes of play, Lakin scored again for 18 points and Shelbyville tossed in a foul that made their total 7.

The second half started out with Shelbyville putting up a fierce attack to get back the points, and Fix scored from the field but when Ewick fouled Miller, the local back guard counted once, and the score was 19 to 8. Miller fouled Ewick then, and the Shelbyville player added a point.

Lakin scored again making it 21 to 10. Rushville then missed four chances on fouls with Miller and Newbold each failing to hit the basket. Shelbyville began taking long shots in a vain effort to come back, and Kendall made good two of them in fast time that put the score 21 to 14, with Rushville calling time.

Lakin fouled Kendall, who added another point for Shelbyville. Lakin fouled Morris, who added another one, boosting the count 21 to 16, and when Kendall made his third long shot the score was 21 to 18, and the three point margin again caused the Lions to call time. Five minutes remained of the half.

Fix for Shelbyville anchored a basket from away on the side, near the center, that brought the crowd to their feet, and brought Shelbyville within one point, 21 to 20.

Kendall fouled Miller, but the local player missed a shot. McNamara saved the day by shooting a field goal in from near the foul line, giving Rushville a better edge, 23 to 20. Then Lakin widened the margin by making good two chances on a foul, giving Rushville a 5 point margin, 25 to 20.

With two minutes left, Shelbyville was making a desperate effort to count goals, and the game was of lightning speed. Morris, for Shelbyville scored from the field, and when Miller fouled Morris the player added another point that brought Shelbyville again within, striking distance, making the score 25 to 23, with a minute left. In that closing minute Shelbyville went the limit to hit the goal, but in so doing fouled Lakin, and he tossed the ball through the hoop just as the gun sounded, giving Rushville 26 and Shelbyville 23.

In the other game when Rushville defeated Freetown, the Jackson county team was no match, and after the locals had run the score up 31 to 4 in the first half, the five substitute players were sent in, and the Freetown team began to make things interesting, but before the time was up, the regulars went back in again, and the final count was 43 to 15.

The lineup and summary of the two games:

Guard Against "Flu" With Musterole

Influenza, Grippe and Pneumonia usually start with a cold. The moment you get those warning aches, get busy with good old Musterole.

Musterole is a counter-irritant that relieves congestion (which is what a cold really is) and stimulates circulation. It has all the good qualities of the old-fashioned mustard plaster without the blister.

Just rub it on with your finger-tips. First you will feel a warm tingle as the healing ointment penetrates the pores, then a soothing, cooling sensation and quick relief.

Have Musterole handy for emergency use. It may prevent serious illness. To Mothers: Musterole is also made in milder form for babies and small children. Ask for Children's Musterole. 35c and 65c, in jars and tubes.

Eddie Big Question Mark

Without a doubt Eddie Collins, manager of the Chicago White Sox, is the biggest question mark in the American League this season. Rated one of the greatest players in baseball annals, his efforts as a pilot will be watched by entire fandom with unusual interest. Many critics are predicting that he will be as great a success in his new role as he has been as an active performer, which is a

SO FAR, SO GOOD! LET'S DON'T STOP! KEEP GOING AND TAKE INDIANAPOLIS THIS WEEK BY STORM.

From now on they are all good ones. You Lions have the stuff to lick any of them if you play the game like you did at Richmond. Hit your stride and keep it.

HOLD FAST TO THAT DEFENSE. IT IS A GREAT THING, AND MEANS MUCH FOR A RUSHVILLE VICTORY. IT WILL TAKE A DEFENSE OF STONE WALL TO STOP MARION—BUT THEY CAN BE STOPPED!

Didn't Lakin play a sweet game at center in those Richmond games? Sport writers said he had everything, and especially an eye for the basket.

McNamara also has found that old basket eye, and that means a great deal to the team.

IN CONGRATULATING THE TEAM, DON'T OVERLOOK THE ONE SITTING ON THE BENCH—COACH JOHN SWAIN—HE IS SECOND TO NONE, AND WE DON'T MEAN MEBBE.

LET'S BUILD THAT GYM

That regional victory should at least add impetus to the new gym. Something definite should be done this week, because next week basketball will be tucked on the shelf for several months.

Rushville, without a doubt, had a larger following of rooters than any team represented at Richmond. That speaks well, and is a great encouragement to the team. At least a thousand people attended from here.

Arbuckle, local forward, gets better each game, and by the end of this week, he will be stepping on them with all fours. Buck is a scrappy player, and those big boys from Marion, will have a hard time stopping him.

FOUL SHOOTING POOR

Foul goal shooting at the Richmond tourney, by all teams, was the poorest to be expected. Teams missed many shots from this route, and if they had counted any way near normal, some of those scores would have been different. For instance, Columbus missed 13 of them in their game with Shelbyville. Richmond and Connersville each missed 6. Shelbyville missed 5 attempts, and Rushville in the game with Shelbyville missed exactly ten.

THOSE FOUL GOALS ARE OF GREAT IMPORTANCE, AND THE LIONS SHOULD MAKE IT A

PRACTICE TO HIT THE BASKET FROM THAT LINE.

LAKIN BEAT RECORD

Lakin, center for Rushville, was the outstanding star on foul goals, and surpassed all other players in that department, including all of the 8 teams entered. He made good 9 out of 10 chances in the two games played.

BUY TICKETS EARLY

State tournament tickets on sale now at the office of E. B. Butler high school principal. Let's back the team to the limit, and help them put across more victories.

DON'T STOP WITH MARION

There was no doubt plenty of crepe and mourning on that special train back to Columbus Saturday night, Shelbyville and Columbus could both sympathize with each other, as companions in misery.

Miller played a great game in that tourney and Shelbyville didn't get through very many times for under the basket shots. That Marion team was some boys just about his size, and don't think for one minute that Miller can't stop 'em.

IT ISN'T ALWAYS THE FELLOW WHO MAKES THE BASKETS THAT SHOULD BE ON AN HONOR ROLL. THE ONE WHO PLAYS THE GAME AND HAS TEAM WORK WITH THE GOAL SHOOTERS ARE JUST AS IMPORTANT.

Greensburg at least should be a happy bunch, because Shelbyville didn't win the regional.

The tough luck player of the tourney was Newbold, forward, who was so completely covered up by guards that he didn't get many shots. But just the same, Bob played his usual game on the floor, and was right there in feeding the ball to the others.

Freetown, the unknown quantity, lacked a great deal of being a dark horse, but considering everything, the boys did their best and win or lose, that is surely the spirit. Freetown does not possess a floor, and the large floor at Richmond was no doubt a handicap.

Sprague of the Freetown team, who is a married man, played a good game, and made 6 of their 15 points.

Richmond people were probably the biggest disappointed of any. Connersville sure played a fighting game, and deserved to win.

TOURNEY TICKETS DUE HERE TODAY

Continued from Page One
3 p. m.
Tickets for the state finals, to be played in Indianapolis, Friday and Saturday, will be here late today, according to E. B. Butler, high school principal, and those expecting to attend are urged to buy them and avoid the jam and rush at the doors.

Five hundred tickets for each day of the tourney will be on sale. Attention was called today to a change in the usual ticket disposal. This year the tickets are sold for separate days, either Friday or Saturday at a dollar a day. When you pass into the Exposition building, the ticket will be taken up, and if you leave, pass out checks for that one day will be given.

Mr. Butler stated today that those who are going to attend must place their order early, because he must turn them in by Thursday evening. He urges that persons buy them before Wednesday if possible, so that something definite can be ascertained on the sale.

Provisions were being made today for special rates and traction cars, and local basketball fans are all keyed up to the point of making a great showing in the state tourney, although all of the teams from now on, are strong ones, and it will be a real test for the Rushville players.

TWO MORE MEN GO TO PENITENTIARY

learned. It was in a suit case and a traveling bag, hidden under a cord of lumber on the ball field near the Connersville Furniture plant. A revolver was found at Conners' home. The other loot had been recovered before, from the possession of Paul Woodworth, who was sentenced in the same case Friday.

In the suit case and the travelling bag hidden in the stack of lumber was found a quantity of clothing stolen from a Rushville store some time ago, also the loot from two barber shops that were rifled in Connersville within the last few weeks. One of the shops was on Summit avenue, the other at Tenth and Eastern.

Conner and Simpson were arraigned before Judge Himelick Saturday afternoon. Each pleaded guilty to a charge of burglary of the second degree and was given sentences of two to fourteen years, the same that had been meted out to their companion in ill adventure, Paul Woodworth, the day preceding.

IS YOUR WORK HARD?

Many Rushville Folks Have Found How to Make Work Easier

What is so hard as a day's work with an aching back?

Or sharp stabs of pain at every sudden twist or turn?

There is no peace from that dull ache.

No rest from the soreness, lameness and weakness.

Many folks have found relief through Doan's Pills. They are a stimulant diuretic to the kidneys.

Rushville people recommend Doan's.

Orville Gilbert, shoe repairer, 639 W. Ninth St., Rushville, says: "Kidney trouble came on through heavy work. Mornings I was mighty lame and stiff and when I stooped, sharp catches took me across my kidneys. My back was so lame I had to stay home from work for a few days. My kidneys acted so frequently, I had to get up at night. Doan's Pills fixed me up and made me feel like my old self."

The Reason Why

Chiropractic Health Talk No. 202.
By H. V. McCully, D. C., Ph. C.

Constipation is one of the most frequent ills experienced by the human race. Also I believe it is the chief forerunner of a great many of the more serious conditions.

If the bodily waste is not eliminated every day reabsorption takes place and the toxic substance from the bowel is taken into and pollutes the blood and serous channels.

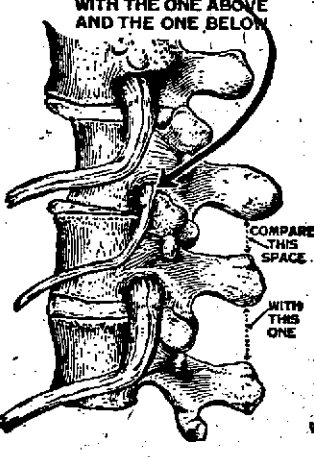

Every tissue cell is bathed in both blood and serum and both being toxic in nature is the reason for that tired, worn-out feeling, dizziness, headache, digestive disturbances and nervousness.

At this time of the year if such a condition exists the bodily function is impaired and the changes that must take place in the body to conform to the outside weather condition is interfered with. This gives rise to colds, flu, etc.

Rushville Man Says:

I am 74 years old and for a number of years have been badly constipated. For the last five years I have had to take a purgative every night. I have tried everything in drugs with only temporary relief. I finally placed myself in Dr. McCully's care and after taking a course of Chiropractic Adjustments the constipation disappeared. I haven't taken a laxative in two months and do not feel that I ever will again. I give all the credit for my relief to Dr. McCully and Chiropractic. PRINTING COST LESS

Indianapolis, March 16—The total printing expenses of the 1925 legislature amounted to \$15,721 as against \$18,000 for the previous session, according to compilations completed today by Tom Carter, deputy clerk of the state printing board.

The total expense of the senate was \$38,270 as compared with \$40,000 for 1923.

House expenses are being tabulated by L. C. Johnson, deputy state auditor.
